Or turn water into wine  
But I know someone who can

I can't heal the sick  
Or raise the dead  
But I know someone who can

Or raise the dead  
But I know someone who can

## VERSE

I can't walk on water  
Or rise up from the dead  
But I know someone who can  
Oh I can't walk on water  
Or rise up from the dead  
But I know someone who can
