

On The Line One More Time

VERSE

I drove past the house
Where I lived as a kid
Saw a boy and his dad,
Playing ball like we did
Dogwoods were blooming
Like they've done every year
A smile crossed my face
As I fought back a tear.
I remember the laughter
And later the fights
I thought you were wrong
Just knew I was right
Now the older I get
The wiser you are
Wish I could tell you in person
But heavens to far

CHORUS

If regrets were wishes and they could come true
If Heaven had phones, I'd be talking to you
Going on without you, has opened my mind
If I could just get you on the line one more time

VERSE

I guess I thought
You'd always be there
I took you for granted
Had time to spare
Now that you're gone
I miss you each day
Can't wait to see you
In heaven some day

Repeat Chorus

TAG

Going on without you, has opened my mind
If I could just get you on the line one more time
