## VERSE

I I'm bad, at good  
I don't do what I should  
That don't mean I don't love you anymore  
Forgive me, I'll try  
Please don't tell me goodbye  
That's what second chances are for

## CHORUS

A second chance to love and start over new  
To prove I can make our love dreams come true  
Please forgive me I won't hurt you anymore  
That's what second chances are for

## VERSE

You're right, I'm wrong  
I've been bad for too long  
And it's time to settle the score  
If you'll start, I will too  
We'll start our life a new  
That's what second chances are for

Repeat Chorus

I've been up, you've been down  
While I'm painting the town  
But it's time to stop walking the floor  
I'll Stop, I'll start  
To mend your broken Heart  
That's what second chances are for

Repeat Chorus
