CHORUS

This Train has no schedule
Fore we know not the time
Don't stray too far from the station
Catch the Jordan River Line

VERSE

When she pulls into the station
And they call the all aboard
I pray I'm on that platform
Bound to meet my Lord

Repeat Chorus

You don't need any luggage
You'll travel without a care
If you believe in Calvary
You've already paid your fare

Repeat Chorus

Leave your worries behind you
Your faith will set you free
Get on board that glory train
Bound for eternity
