

What Will It Be

VERSE

The path you travel day by day
Will set the price that you must pay
Will you be sent to a deep dark hole
Or will you walk the streets of gold

CHORUS

Someday you'll stand with God and Son
And you'll be judged on things you've done
What will it be that final day
Will you be told to go or asked to stay

VERSE

What can you say when you are asked
About the deeds in your past
Did you take time to kneel and pray
What will it be on judgement day

Repeat Chorus

VERSE

When your time comes to answer all
Are you prepared to stand up tall
And tell your Lord you lived for him
And know that he'll ask you in

Repeat Chorus

TAG

The answer lies with you alone
Will you be turned away or welcomed home
